Course 1	StartYear - End Year	Course 2	Start Year - End Year	Course 3	Start Year - End Year	Approval Code	Grade (other)
U OF IOWA				Iowa			
06E: 001	Principles of Microeconomics 1985 - 2010	06E:002	Principles of Macroeconomics 1985 - 2010			1-1615-0065-2-2010	

Courses evaluated but NOT approved:

06N:225 Managerial Finance

06F:213 Futures and Options

A combination of courses may be required for a specific VEE approval code. Only the courses listed on the same line as the approval code are required. Candidates may combine approved courses/experiences to complete the VEE topics of Economics or Applied Statistics. For example, an approved microeconomics course from your university may be combined with any other approved macroeconomics course whether it is offered at your university, another school, or an online provider. Corporate finance courses must be completed in the combinations shown.

To receive credit for a subject, candidates will need a grade of B- or better (unless otherwise noted above) in each of the associated courses.
