

Student Feedback Results

Lecture Notes

87% Content with 2-per-page PDFs
(13% prefer 4pp)

83% Content with font/pictures on screen
(17% prefer larger font)

Document Camera

Mostly fine, but remind me to zoom-in
(please remind me during class)

Microphone is good (overwhelming response)

Less than 5 hours on homework (overwhelming response)

Other Feedback

- So far so good
- Like use of the whiteboard
- Like side-by-side use of screen and doc camera
- More examples on choosing 'tool' for a particular problem/more examples
- Post solutions to 'missing' parts of notes
- Post notes earlier (I think I've addressed this since the survey)
- Use discussion as problem solving practice (more discussion in discussion)
- Let us keep discussion worksheets right away
- Slow down
